

OEO EZ BASE

The OEO EZ BASE converts the mogul base OEO EZ LED lamp to a luminaire for hook or suspended cable mounting. Both the hook and the suspended cable mounting carry a 3/4" NPT thread that can directly mount to a conduit. An optional aircraft steel safety cable is available and designed to attach to the base for a fail-safe attachment.

Some feature highlights include:

- White matte powder coat finish
- 2 meter / 6 foot white cable, terminated with three bare wire 18 AWG
- 1 kg / 2.2 lb (including weight of 2 meter / 6 foot cable)
- Optional safety cable
