01

80% of businesses are being overcharged

Yes, you read that right. Most companies are unknowingly losing money every month due to billing errors, incorrect rate schedules, and hidden fees.

We can fix that.

OEO Energy Solutions has recovered over \$5.2 million in utility overcharges—and we're just getting started.

02

Introducing OEO's Free Utility Bill Audit

Our risk-free audit helps you:

- Uncover past billing errors
- Recover refunds directly from your utility providers
- Optimize your rates and reduce future costs

**No switching providers.
No disruption.
Just real savings.**

03

Real Results, Real Fast

One OEO client received a **\$303,051** refund check **within 30 days** for gas and electric billing errors.

Now, they're **saving \$9,500 every month**—
automatically.

Imagine what we could
find in your bills.
