CERTIFICATIONS

OVERVIEW

- Just change out your fluorescent tubes to OEO EZ LED and save 53% on electric!
- No re-wiring or fixture upgrade needed, so you save on labor and equipment during the retrofit!
- OEO EZ LED T5 lasts 2.5 times longer than fluorescents, so you save on future maintenance budgets!

NOTE: OEO T5 LED is NOT rated for use in fully enclosed fixtures, and the product warranty is voided.
